TOURNAMENT REPORT 2007
(THE PERFECT YEAR)

Well again Leonie must have had a word upstairs.

This year we had perfect weather together with the first perfect round shot at this event. A national record is being claimed for this by Gary Cole.

National records are also being claimed by Jamie Adams and Chris Wells. Congratulations to all three archers. Last year no records were broken but we certainly made up for it this year.

Unfortunately entry numbers were down, but due to the good weather only four failed to turn up on the day after sending their entries in. So target shuffling was kept to a minimum.

Thanks go to Andrew Trimble, the photographs he took of the shooting can be viewed by following this link <http://www.trimble.pwp.blueyonder.co.uk/Field-Champs2007/>

My thanks go to the Judges, Peter, Neil & Derrick for officiating, and for Netta, a candidate judge, for practising on our course.

My thanks also go to Andrea for being our our Lady Paramount and the staff of High Ashurst whose transport service takes the hard work out of lugging the bosses around course.

Many thanks to the archers who helped with the setting up of the course on Saturday and the bringing in of it on the Sunday evening.

Last but not least a big thank you to Nick, Jum and Greg for supplying food and drink all day.

Next year the shoot is on November 2nd. Same place, same time.

Hope to see you there.

John Pettett
