Lady Paramount Award - Patrick Bishop

TOURNAMENT REPORT 2009

Well, we finally ran out of Lady Luck for the weather. The heavens opened at 7am and it didn't stop raining until midday.

Despite the weather only 7 of the 76 pre-booked entries failed to show on the day. However, of those 69 who started, some drowned rats could take no more and didn't restart after lunch.

At lunch time the weather changed and the rain stopped. For those who continued, they were rewarded with a dry afternoon's shoot.

Not surprisingly, because of the weather, there were no British records broken. The first time in many years that this has been the case.

My thanks go to Derrick, Hannah and Stan who judged our record status event, and Nick, Jum and Greg for supplying hot food all day. Last, but not least, thanks to Andrea Beddard for being our Lady Paramount this year.

Over the next nine months High Ashurst is being completely redeveloped and next year we should be using even better facilities.

Next year the shoot is on Sunday 7th November so make a date in your diary now.
