Paul	Gardner	Warlingham A C	D N S		
Paul	Jay	Woking A C	D N S		
Ray	Newman	Canterbury A	D N S		

This unfortunately might be the last Surrey Champs at Boxhill. Accountants run the modern world and High Ashurst has not been missed on the accountants hit list. High Ashurst I hope will still be there but we might not be. The new pricing strategy for the centre could mean that we have to find a new venue. After 28 years at High Ashurst it felt like home. There will definitely be a Surrey Champs next year, but the venue is uncertain, watch this space.

On a brighter side this years shoot went well with the usual thanks to the ground staff whose deft use of a tractor and trailer made light work of getting the bosses distributed around the course. Also a big thank you the Surrey Achers who turned up on Saturday to help set the course up.

On the day the weather was very unkind with heavy rain, this delayed the start time a little to allow the faces to be put out in the dry. Despite the heavy rain there were only about 10 no shows, even good weather has a splattering of no shows. Any no shows creates additional work for the organiser. Groups are carefully made up to mix styles and to keep shooting times similar per group, no shows are a real pain.

Despite the weather Daisy Clark broke her own National Record, well done Daisy. My thanks also go to Hanna, Netta, Steve and Paul for judging this years event and to Nick Greg and Jum for keeping everyone fed and watered. Cliff and Pauline also deserve a big thank you for the `behind the scenes` management of the umpteen duties that so many forget, like receiving the entries, making the groups up, filling in the score cards arranging the medals and then finding out who has won at the end of the day. Thank you Cliff and Pauline.

Last but not least a big thank you to Alison Bashford for officiating as our Lady Paramount.

As previously said I`m not sure where next years champs will be, but there will be one.

John Pettett.
