Organisers Notes:

Well I hope you agree that it was another successful shoot. We were full with 96 entries prior to kick off with a few on a waiting list. Unfortunately eleven archers didn't turn up which left some disappointed archers on the waiting list still at home wondering what to do with themselves. True it is rare for everyone to turn up and I would welcome feedback from other organisers if they have ever let late entries turn up on the day and slotted in where appropriate. I know this is time consuming, but it is equally time consuming juggling the groups if no-shows result in only two in a group especially when light is at such a premium.

The shoot started off on a bright and frosty morning but rain eventually reached us by 4pm meaning the slow groups got a bit damp. Light is at such a premium in November and I was wondering whether an 8.30 am assembly would be possible instead of the 9am. This would gain a very valuable 30 minutes of light and perhaps make the day feel less of a rush. Your thoughts please. A lot of good shooting was evident despite the eventual rain, this resulted in three UK records being broken. Congratulations to Emily Williams, Lauren Fogden and Anna Catling for achieving those records.

The course set in some of the most scenic countryside of Surrey offered some very challenging shots that, as usual, was expertly judged by Derrick, Netta, Steve and Andrew.

My thanks go to Su for taking on the onerous task of Tournament Secretary and to Dave for helping me design and set up the course. My thanks also go to the many surrey archers who turned up on Saturday to lay the course out, it really was a case of many hands make light work. As many of you know this is not a permanent course, everything comes out of a shed on Saturday morning and goes back in Sunday evening. It's a lot of hard work but very rewarding.

Lewis again did a fantastic job with his team in keeping everyone fed and watered.

My last but not least big thank you goes to Rob and his staff at the High Ashurst centre. Their willingness to offer non stop assistance and accommodating our `special` requirements without a hint of hesitation is really appreciated, especially the tractor drivers in bringing the bosses back from the woods.

Next year the shoot is on Sunday November 5th, same place.

Hope to see you all there

John Pettett
