Again I believe a grand time was had by all, the weather was kind for this time of year and this generally has the affect of helping everyone enjoy themselves. Bad weather tends to make people a little more intolerant.

This year we were full prior to the whistle with archers waiting in the wings for places to be available from `no shows`. I think a first at Boxhill, is this a field shoot trend, I hope so.

Boxhill wouldn't be the same without a National Record or two, and this year was no exception. Congratulations to Linda Taylor and Daniel Hawley from Fort Purbrook who both set records in the Senior AFB class.

Thank you Rae Harder for being our Lady Paramount. I have been told it was her first field shoot, I hope the first of many.

As usual Nick, Jum and Greg kept us fed and watered from the Michelin Marquee. I believe it was a good decision to only allow a food stop at lunchtime, it certainly made the day go quicker.

My special thank you to all the Surrey archers who turned up on Saturday. It only took two hours for about eight experienced field archers to lay the course prior to inspection by the Judges. A real case of many hands make light work.

Last but not least Team Lovell AKA `The Judges`, Derrick, Steve and Paul, thank you for officiating at this years event. You were so good I have booked you for next year !!!

A special mention should go to the staff at High Ashurst who bend over backwards to help accommodate our special requirements.

Thank you to all the archers who brought the kit in at the end of the day, it was greatly appreciated. It was all locked up safe and sound by 5pm waiting for next years shoot on 2-11-14, same place.

See you next year,  
John Pettett

Tournament Organiser.
