Organisers Notes:

Well another year over, and what a shoot, perfect weather (for November anyway), two national records and prize giving by 4pm, what more could you want?

My thanks as usual go to those Surrey archers who helped me build the course on Saturday and more to the point Nick and Dave for giving up their Monday to get all the bosses and equipment back in our on site hut ready for next year.

Congratulations to Andrea and Louisa for making new national records, well done.

There are many thank you's this year that combined together helped to make it probably the slickest yet.

Lewis for keeping us fed and watered, Derrick and his gang of judges for officiating as efficiently as ever, Mark and Candy for sorting the scoring out, how quick was that !! Su for receiving the entries and juggling the target list, and last but not least the friendly staff at High Ashurst whose tractor and trailer skills came in very handy.

This year we trialled a couple of initiatives, first being to start slightly earlier to reduce the risk of finishing in the dark (Don't know why we hadn't thought of that before). The second was that we replaced the mornings cards with fresh ones for the second half. This had three benefits, dry cards if it had rained, numerical check of the scores and it allowed us to prep the results sheet. We will definitely do that again.

Good shooting for the rest of the year.

Regards,

John Pettett
