Organisers Notes:

Well another successful year and 4 National Records to boot. Congratulations to Andrea, Mandy , Anna, Louisa and Archie, very well done.

The weather was perfect for this time of year and there have been many positive comments on this year's course.

There are many to thank, but I will start with the Surrey Archers who came up to the ground on Saturday to lay the course out. It was a very slick and professional team that got the course all pegged and staked in under 3 hours ready for the nail biting judges inspection. Fortunately only minor tweaks were required.

Thank you to Steve, Tony and Andrew for judging the event and assisting in the halfway changes around the course, it was really appreciated.

Thank you Mark and Candy for their masterclass of results gathering. So slick it was done before some had put their kit away. Nothing worse than hanging about on a winters day waiting for prize giving. Everyone drove away by 4pm after prize giving, excellent by anyone's standards.

Thank you also to Bill and Su for sorting the entries, score cards and target list out.

Thank you Candy for being our Lady Paramount. Thank you Lorraine, Paul and Roy for keeping us fed and watered with top notch grub all day.

And last but not least a big thank you to the staff at High Ashurst whose willingness and helpfulness really does help to make the proceedings run smoothly. Especially with the use of the tractor.

Next year's shoot will be on Sunday November 3rd 2019

Hope to see you all there

Have a nice Christmas

John Pettett
